

YOUNG LIVES LEEDS

Who we are

WHAT WE DO

Young Lives Leeds forum meets 6 times a year to:

Facilitate conversations between the third sector and our partners on key agendas

Help organisations to collectively show their impact

Bring different groups together to work in partnership

Provide a space for peer support and to share learning

Our subgroups focus on key topics:

Care Collaborative

Third Sector Safeguarding Group

Meets quarterly to share good practice on safeguarding and is also a point of contact for Leeds Safeguarding Children Partnership to consult with the sector

We are working with partners to provide more opportunities for young people to have their say and influence change

We work together to provide wrap-around support for those who need it most
